No security course – No wristband !

To sign up for a course you need to "purchase" a free reservation-ticket in the Standby Shop*) !

Base-camp

Base-camp is situated right next to MC-camp inside the Festivals camping area. MC-camp is placed east of the highway right next to Caravan-camping and Get-a-Tent.

The Base-camp area totals approximately 500 m² (5,381 square feet) which is a lot of room but not enough room for all of us at once. We will weigh applications, should we run out of space, according to function, age and anciennity.

To apply you need to "purchase" a free application-ticket in the Standby Shop*) !

Notice that it will not be possible to park your private car or MC on or around Base-camp. If you arrive by car, the festival camping areas (which you can read more about [here](#)) are close by. If you arrive by MC you can purchase an additional ticket from the festival giving you access to park (and live) on MC-camp.

You can read more about Base-camp on the forums.

The Evening-meal Program

Again, this year, Standbyholdet offers all team-members to participate in the Evening Meal Program.

We have hired a caterer that delivers a freshly prepared meal to our Base-camp, every day around 18:00 (6pm). This meal will typically be a hot meal.

It will only be possible to opt-into this program for all of the 9 days we are active (from Saturday, June 26th to Sunday, July 4th - both days included).

Admittance to the program must be purchased through the Standby Shop !

The voucher you will need to purchase can be found in the "[Miscellaneous](#)" section of the shop.

The fee for all 9 days is DKK 550.00 which per day is in line with the price you pay in the stalls on the Festival-area.

DEADLINE FOR ORDERS IS JUNE 22nd 2010
