The deadline for ordering clothing from the Standby Shop for this year's festival is extraordinarily being moved up.

Due to our printer and clothing supplier closing down the company temporarily to move, they have let us know, that they need our order for the festival earlier than originally planned.

This means that we will need your order **no later than**:

Sunday, June 10th.

This deadline only applies to all clothing articles from the shop. **The ZIPPO lighter** (stock item) and **Tickets for Base-camp** and similar are not affected hereby and can be ordered all the way up to the beginning of the festival.

If you haven't already familiarized yourself with our online-shop and our collection, please read on.

T-shirts

The classic **Standby T-shirt** is available in two variants.: The classic Uni-sex model and new this year, a variant for the ladies. Sizes for both variants range from Small to 6XL. Both have a small print on the front and the sleeve and a larger on the back.

The 2012 collection has furthermore been extended with:

- A **Strop-T-shirt**, also for the ladies. Sizes from XS to XL, with print on the front and back.
- A **Long-sleeved T-Shirt**, for the evenings and nights. Sizes range from Small to 6XL and come with print on the sleeve, front and back.

Sweatshirts / Cardigans

Our classic **Hooded Sweatshirt** now has company with a **Hooded Cardigan**.

Both variants are available in sizes from Small to 6XL and both come with print on the sleeve, front and back.

The Cardigan is furthermore available with an embroidered logo on the front and no print.

Jackets

Again this year, our collection includes our popular **Soft-Shell jackets** from ID-wear. They come in both a “his” and “her” cut, and are available with or without a hood..

All the variants are offered with 3 x print or 1 x embroidery.

The Men’s model without hood is available in sizes from Small to 6XL while the other variants only range up to 3XL.

Head Gear

Again this year you can choose between:

A **Retro-Cape** with print or an embroidered **Beechfield Knitted Cap**.

Gadgets

New this year, and hopefully an item that will become a favorite for years to come – is our very own **ZIPPO lighter**.

As we are only experimenting with this new item, a very limited amount has been taken home. If you are a regular on the team, or plan on becoming one, this very first Standby-Zippo will most likely become a collector's item.

The Practical

Deadlines for ordering items from the shop are June 10th (clothing) and June 24th (gadgets, tickets, etc.).

- Notice that your order is only valid when you receive an e-mail confirmation. A classic mistake is putting items in the basket but never checking out.
- Payment must be made to the specified account no later than **June 26th** unless otherwise specified on your confirmation e-mail.
- All ordered (physical) items must be picked up, during the festival, at the office on Base-camp.
- Payment first, delivery next. No exemptions.
- You can cancel your order only up until the time we place the order with our supplier(s). e.g. June 10th for clothing articles.
- *If you have questions or comments, please direct them to either our hotline phone (+45 5052 2141 8am-10pm) or by e-mail to shop@standbyholdet.dk*
