

Q: How do I get my wrist band?

A: We will be at the Base-camp from Friday, June 27th around 5pm from where we the office will be manned around the beginning of each work shift. (7.15 am // 3.15 // 11.15 pm).

While we will appreciate it if you make an effort to catch us at those times. Please don't hesitate calling Zia on the Hotline Phone (+45 5052 2141) if you need to make different arrangements.

If you haven't yet completed the [security course](#), please do so as soon as possible. You will not get your wristband until this is done.

Q: Where do I find Base-camp?

A: Base-camp is situated on the furthest part of the festival to the east, right next to the M.C. Camp and just north of the Caravan camp. [See map](#).

Regular access (with wristband) is possible through the south entrance into M.C. camp but for those of you arriving to get your wristband, please use the northernmost entrance on "Elmelygårdsvej". Look for a sign on a tree reading "Privat" between the farm in no. 20 and the house in No. 21. [See Streetview](#)

Please consult [this post on our forums](#) for a more detailed set of maps.

Q: How do I meet for my duty shifts?

A: All shifts begin and end in the tent at Base-camp. This applies to everyone, each time, without exception. Roughly one hour before your shift begins, a text message will be sent to your cellphone to remind you. Please make sure to verify / update your cellphone number on your members-card so you don't miss out on these.

Keep in mind that meeting for your shift is your own responsibility - text message or no text message.

NB! Be **ahead** of time for your shift, preferably by 15-20 minutes. Be aware that traversing the festival site can take a lot longer time than you would normally expect. Also, if you arrive by car in any capacity, the traffic in and around Roskilde during the festival period can be very heavy.

As a part of Standbyholdet you can be assigned almost any type of work the festival has to offer. Prepare yourself for rain, low temperatures and make sure that you bring appropriate footwear to endure long walks.

As usual, should you have any questions, please direct them to our Hotline at +45 5052 2141 or write a comment on your [members card](#).

Kind regards

Standbyholdet
