

Dear volunteer.

This year, it will **no longer** be possible to get your wristband at Base-camp!

Instead you can obtain a voucher from us, at base-camp, which you can take to the festival Check-in, along with proper identification, to have your wristband put on.

Check-in is located adjacent to "Maglegårdsvej" at the address:

**Roskilde Handelsskole, Bygning 6
Bakkesvinget 67, 4000 Roskilde.**

Please refer to the map on page 2. During the festival period, Check-in remains open around the clock.

To ease the process, and save you a trip by base-camp first, we will take a stand right outside Check-in on

THURSDAY, JUNE 23rd – FROM 17.00 – 22:00 (5 PM - 10 PM)

Please notice that you must have completed the eLearning security course before you can get your voucher. If you haven't had your certificate registered yet, as previously outlined, you must bring a hard-copy of the certificate with you. Check your member's card to validate its registration.

**NO CERTIFICATE – NO VOUCHER
NO VOUCHER + IDENTIFICATION – NO WRISTBAND**

See you soon.
